Does your Club want a Diabetes Screening Kit on the van for the day of the Event?
YES NO If YES, provide information for contact of the Diabetes Awareness
Chairperson, if the Club does not have a qualified screener planned on their own.

Explain the personnel needed to operate the van at 100%:

- 2 persons for Hearing Screening Booth 2 persons for Glaucoma Screening
- 2 persons for Visual Acuity Screening
- 1 person for Check In / Check Out Participants

Explain Cost of the Van Use:

- \$ 125.00 per day of Van Usage
- \$ 1.40 per mile from Van Building to Event Location
- \$ 25.00 per day of Generator Usage

Payment is not expected or desired on the day of use. A bill will be provided to the Club Point of Contact for payment to the LMSHU Treasurer.

The van's lights and instruments can operate from a standard 115 volt AC outlet and we carry 150 feet of extension cord. If you do not have a standard 115 volt AC outlet within 150 feet or if you wish to operate the air conditioning you will have to have access to a 30 or 50 amp 220 volt outlet or run the generator.
